COUNCIL CHAIRPERSON'S REMARKS

WELCOME TO VHEMBE TVET COLLEGE!

Vhembe TVET College welcomes all students who want to join us in 2020 academic year. We really appreciate your interest in studying with us.

In this Prospectus, we would like to give you information on our campuses. We have seven campuses that are well resourced for better teaching and learning.

Those campuses are: Makwarela, Tshisimani, Mashamba, Mavhoi, Shingwedzi, Thengwe and Musina. We offer the following fields: Engineering, Business Studies, Occupational Programmes and Agricultural Courses.

Learning is key in improving our student's life. We regard ourselves as an international college. In previous year, we have sent students to China, United State of America and Russian.

If you want to upgrade your personal skills or accelerate your career, become a more effective student or more powerful leader, discover new opportunities or simply find more inspiration, Vhembe TVET College is more than ready to accept your application if you meet the requirements.

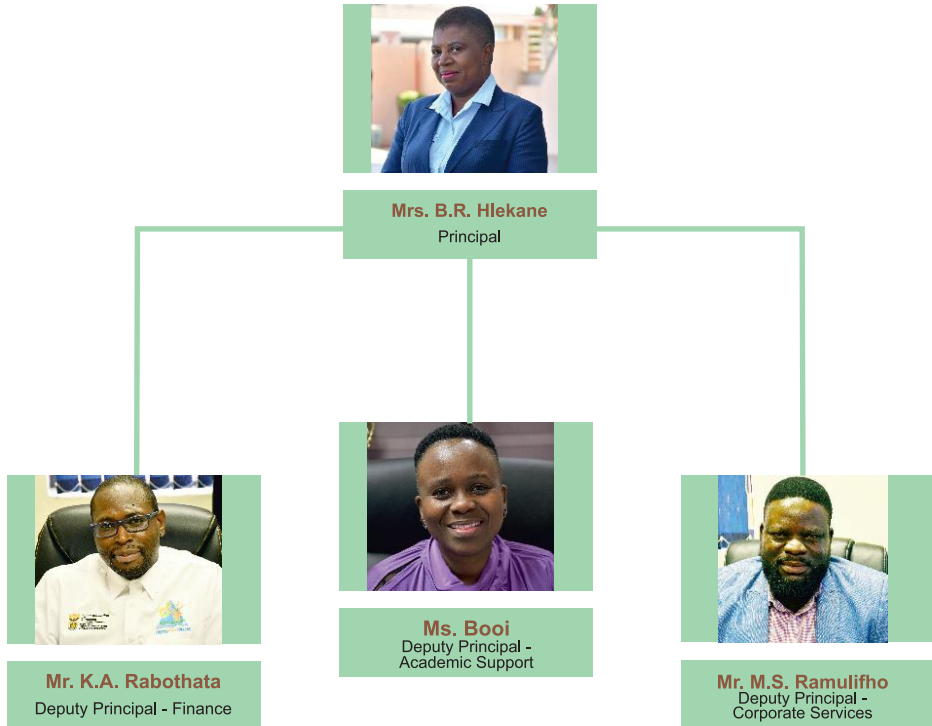

We are ready to heed the call for the fourth Industrial Revolution. In so doing, to create an environment where every student has the opportunity to enjoy the highest levels of human development. To create such an equitable and inclusive future, we will have to adjust our mind set and our institution.

Over 56 years of existence, Vhembe TVET College is the best among the 50 colleges in South Africa; in Management and governance. If we can continue on this road, I believe we will be a winning TVET College.

We would love to enrol you in the coming Academic year. Let's grow Vhembe TVET together.

Geared for excellence!
